## LARGE CONTAINERS / LOGISTICS AND HANDLING

### CARGO FOLD 700 - GRATING WITH FOLDING DOOR

56/IIP - IPPR 936

The 700 Cargo Fold Grating, folding door, the first cargopallet with collapsible walls and available on wheels, specifically for the food industry, is completely folding. With this system, in case of transport and storage of empty containers, you shall earn 63% in volume: a stack of eight folded Cargo is the same height as three open ones. The special white polyamide wheels, fastened to the base of the Cargo Fold, include special galvanized steel cross bars to ensure hold and stability of the load; moreover they allow use with heavy duty loads up to 600 Kg. The version for fruits and vegetables are designed with smooth grided opening, having an internal radius, to avoid any damage at the most delicate goods. Rounded edges and corners to easy cleaning for the maximum hygiene.

The stacking of 700 Cargo Fold Grating is assured by 4 cylinder/spherical pins obtained directly from the mold on top of the container that fit into appropriate seats at the bottom of the legs/runners of container. The 35 mm recessed ensure maximum safety and stability of the stacking. Every wall can be fitted with the company logo.

**Max loading capacity:** 650 dm<sup>3</sup>
