CARGOPALLET 1100 PLUS NEW

,plastica
seconda vita
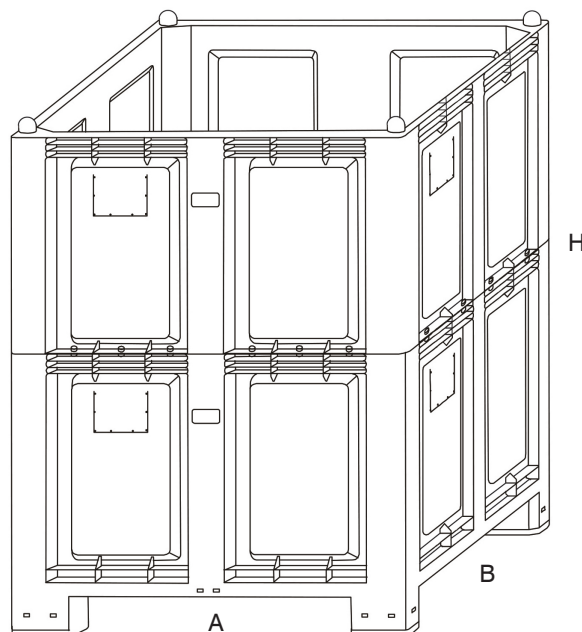

56/IIP - IPPR 936

The CARGOPALLET 1100 PLUS NEW is versatile and sturdy, has good structural rigidity, resists deformation. The version equipped with four runners, is suitable to meet particularly heavy duty loads and working conditions. The support along the entire perimeter allows among other things, its use on roller conveyors without risk of hindrance or stumbling where there are curves or exchange points. Not suitable for liquids. Also available for foodstuffs. Fitted with feet or runners. This version with a tip-up flap makes filling, emptying and cleaning even easier.

Capacity max: 1100 dm3

Versions: With 4 feet, with folding door, with 2 or 4 runners.

Accessories: Lids, label holder.

Colours: Food Contact Grey   Ecological Grey   Custom Product (for minimum lot)

Material: PP RPP Inert to acids, hydrocarbons, alkalis and solvents.
